There is also an opportunity for all of the clergy, religious and lay faithful in all three dioceses to contribute to this consultation by completing the online questionnaire (either individually or in groups). Bishop Marcus is encouraging the faithful within our dioceses to devote time and prayerful reflection upon these questions before offering a response, so that the Holy Spirit may guide us through this important process of consultation and discernment. He kindly asks that responses be submitted through the online questionnaire no later than Friday, 22nd May 2026.
