## MARCH FOR LIFE

March for Life UK happens in London on Sat 2nd September. Many are concerned about restrictions on freedom, but it's often not until these restrictions affect us personally, that we speak up. Abortion destroys the most fundamental freedom, the freedom to live and leaves so many women and men deeply hurting. Join thousands of others at this family-friendly event to speak up for those who cannot speak for themselves. Full details can be found at [www.marchforlife.co.uk](http://www.marchforlife.co.uk) I'm strongly thinking of going myself to this.

**CAFOD Fix the Food System:** This Sunday there will be a short talk after Mass about a summer campaign supporting small-scale farmers around the world to choose and share their own seeds. Laws are being introduced to prevent them doing so, forcing them instead to buy from large agri-businesses. There will be a poster left in the narthex for signatures of support for the next 2 weeks. Please consider adding your name (no address necessary).
