## **The Popes Prayer Intention for August**

The Holy Father has asked us to pray for the young people attending the World Youth Day celebrations in Lisbon, Portugal and more widely for young people across the world. You can find a short reflection on this intention at:

## **MARCH FOR LIFE**

March for Life UK happens in London on Sat 2nd September. Many are concerned about restrictions on freedom, but it's often not until these restrictions affect us personally, that we speak up. Abortion destroys the most fundamental freedom, the freedom to live and leaves so many women and men deeply hurting. Join thousands of others at this family-friendly event to speak up for those who cannot speak for themselves. Full details can be found at

## **Human Nature, Gender and Identity, 25th-28th August**

This course will explore how Thomas Aquinas's anthropology provides the framework for the Church's understanding of what and who the human person is. The course will be of particular interest to those teaching theology in secondary and higher education and those providing training and CPD to other educators and catechists.

## **CAFOD Fix the food system campaign**

Thanks to all who have already signed Cafod's large letter of support for small-scale farmers. Last week's letter was completely filled, so there is a new one left in the narthex for new signatures.

The Season of Creation is an ecumenical celebration of God's gift of a home to us, starting on 1st. Sept. (World Day of Prayer for the Care of Creation) and finishing on 4th October, (the feast of St. Francis of Assisi). At St. Vincent's we now have a Prayer for Creation printed in the front of the hymn books which can be said during Mass. During the season there will be a weekly Rosary for Creation said in church after the Wednesday morning Mass - about 10 O'clock - do join if you can.

Additionally, there will be a 'Sharing Table' of fruits of the earth after Sunday Mass. If you have a glut of fruit or veg from a garden or allotment, or an oversupply of plants or seeds, this is an opportunity to share them freely with others.
