CARE OF CREATION PRAYER (up to Oct 4)

Father, Lord of all creation we praise you with all your creatures and the whole universe that comes forth from the work of Your hands. We acknowledge the privilege and responsibility that You give us as stewards of Your creation. In our ignorance we have done damage to our common home and our common humanity is suffering. Through faithfully following your Son, guide and direct us to prepare for a better future. Teach us to contemplate You in the beauty of the universe, for all things speak of You. Give us the grace to recognise, respect and protect all You have created, using wisely all that you have entrusted to us. Through Christ our Lord. Amen.
