Humanae Vitae – 50 years on. Pope Paul VI is to be canonised a saint this October. To a great extent his encyclical, 'Humanae Vitae' will be 'canonised' as well. It was a prophetic divinely inspired document on Church teaching which should be upheld by everyone.

Moving the goalposts: The ruling by the Supreme Court last week permits doctors to withdraw food and water from someone in a vegetative or minimally conscious state – as long as the doctor and the patient's family agree that this is in the patient's "best interests". You can see from this that corners can easily be cut. St John Paul 11 back in 2004 called this "euthanasia by omission". Food and drink is not treatment but basic care

PARISH PRAYER - God our Father, pour forth your Spirit upon our parish. Grant us a new vision of your glory, a new experience of your power, a new faithfulness to your word and a new consecration to your service. So that your love may grow among us and your kingdom come. We ask this through Christ our Lord, Amen.
