Support for Separated and Divorced Catholics

Recovering from relationship breakdown? The Restored Lives course supports and empowers people to move forward from divorce and separation, or the breakdown of any serious relationship, to live a full life, free from past issues. Restored Lives has helped thousands of people over 20 years and has been developed by divorcees and professionals at Holy Trinity Brompton (HTB). Whatever your situation, background or belief, it gives you emotional and practical support to recover from relationship breakdown in a safe, non-judgemental environment.

Come on a course to meet people in a similar situation and listen to expert advice as well as numerous stories from people who have successfully moved on.

A six session course is starting on Thursday September 16th 2021 £20 (unwaged free of charge).

Y7 ADMISSIONS – SEPTEMBER 2022

You are cordially invited to our Year 6 Open Evening for parents and children in Primary School on Tuesday 21st September 2021 at 5.30 pm – 7.30 pm.

We hope to run the Open Evening live, but if for any reason we can't, there will be a virtual equivalent on that night. If this is the case we will put more information about the event on our website in the coming week. To help us to plan safe running of the event we are asking anyone who intends to come to complete a short online form via our website, indicating when they expect to arrive. Anyone completing this form will also be able to leave their email address should they wish to, so that we can contact them directly with information about any changes to the evening.

Enclosed is a poster detailing the event. If you could promote this at all Masses this weekend and also include the information in your Parish Bulletin it would be greatly appreciated.

CAFOD responding to multiple emergencies across the world

CAFOD is responding to significant crises across the world this week. We are working with local Church organisations in Haiti to deliver emergency aid to people affected by the catastrophic earthquake and tropical storm. In the tragic situation in Afghanistan, we are working to ensure the safety of our local partners and their communities. We are supporting local aid workers to deliver urgent food and water supplies to hundreds of thousands of people facing extreme hunger in Tigray in Ethiopia, South Sudan and north-east Nigeria. You can read more about how we can all express solidarity with our sisters and brothers affected by these emergencies on the [CAFOD website](#) (address on our website). Your compassion, generosity and prayers have helped us to stand together and enable us to continue to support communities in these difficult times. Thank you.]
