Ask your MP to sign a Parliamentary motion to stop 'DIY' abortion

Carla Lockhart MP has launched a parliamentary motion calling on the Government to end 'DIY' home abortion. It is therefore vital that as many MPs as possible sign Carla Lockhart's motion to send a clear message to the Government that they must end dangerous 'DIY' home abortion services as soon as possible. [Right To Life UK](http://RightToLifeUK) has launched an easy-to-use tool which makes it simple for you to send an email to your MP asking them to sign the motion. Please click the link below to contact your MP now. It only takes 30 seconds!

News Sheets: We will not be reordering the newssheet as they were before the pandemic. So one side of the sheet where the Readings were will be blank. We hope to fill it with other church news and relevant articles or blogs if you send them in. Extra 'Day by Day' booklets will be ordered. As you know they have the Sunday and weekday readings. They are free but feel free to donate if you so wish. Thanks

Young people and Green issues: The Parish hopes to set up a group of interested mostly young people who will help further the 'green issues' within the parish and beyond. If you are interested, please let us know.

A huge well done and thank you for raising £1067 by walking for water this Lent. Together, all of you wonderful walkers have raised over £835,000! Abebe Belachew is a climate change expert working with CAFOD in Ethiopia. "This is a huge success. And I have already seen the profound difference this can make to the families I work with." "It's incredible to me that so many of you chose to challenge yourself, raising money to support your sisters and brothers with safe access to clean water. To everyone who walked and everyone who sponsored them: thank you.

Please say prayers for good decisions at the G7 meeting in Cornwall this week. The leaders of the world's richest nations are coming together on Friday to discuss global recovery from the pandemic. The poorest nations must choose between paying debts to the rich, and helping their communities cope with coronavirus. Pray that rich nations will do their duty by the poorest nations, by getting supplies of vaccine to them and fixing the economic and social injustices which hamper their recovery.
