Young people and Green issues: The Parish is aiming to set up a group of interested mostly young people who will help further the 'green issues' within the parish and beyond. If you are interested, please let us know. Please check the website for more info.

Mass at Mission Hub at Solly Street with Bishop: Bishop Ralph has offered to say a special Mass this Tuesday evening (7pm) 27th July at the new Mission Hub, Solly Street, S1 4DE with the people of St Vincent's Parish in thanksgiving for the very generous financial and other support which they have given towards the purchase and renovation of this iconic building. We still own the building.

Corona Virus and returning to normal at church: It may not be 'victory day' yet, though we seem to be slowly but surely coming out of the pandemic. But it's not gone away. Restrictions will be eased gradually. However, please note there is no rush to lift all restrictions on our churches immediately. Rather we need to move forward at a pace with which people are comfortable. You will no longer have to book for Sunday mass, but we still have to keep a register of those attending mass. A fuller note on how things will be gradually changing at church is on the reverse (and on the website). Please be patient with us as we follow the Bishops' guidelines. The Sunday obligation for mass resumes officially on the First Sunday of Advent.

The walkers from the Young Christian Climate Network reached Bath last Sunday. They started walking from Cornwall after the G7 meeting in June, to get to Glasgow in time for the November COP 26 meeting. They are scheduled to arrive at Low Bradfield on September 5/6th, on their way between Birmingham and Manchester. Check out the yccn.uk website if you can, to find out more. Let us remember their pilgrimage for our planet in our prayers.
