**Help stop DIY abortions:** During the Coronavirus pandemic unborn babies and their mothers have been at even greater risk of abortion. The Government's "pills through the post", brought in as Covid measure, means that over 23,000 women in England and Wales aborted their baby at home during lockdown. Please help us to spread the truth about DIY abortion and save women and babies from the tragedy of abortion. **There is one A5 handout sheet available at back.**

**Our sincere thanks** to all who helped make our "Macmillan Cakes Delivered to You" a great success recently. We thought if you can't get to the Hall, we can get to you via delivery. We raised the fantastic amount of £1,235 which is amazing given the current climate. Thanks to you all again – hopefully next year we can meet up in the Hall. Tina, Steve and all the Crookes Macmillan Volunteer Team.
